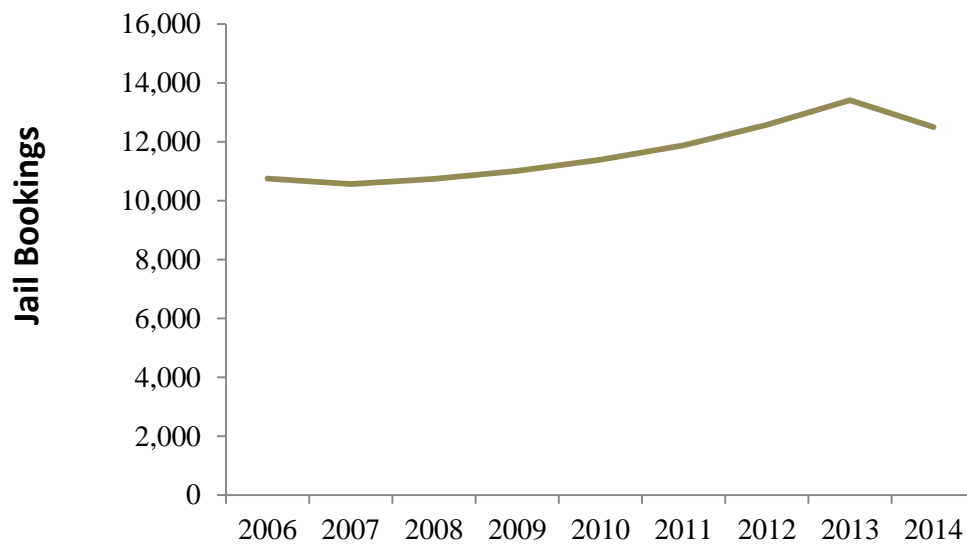

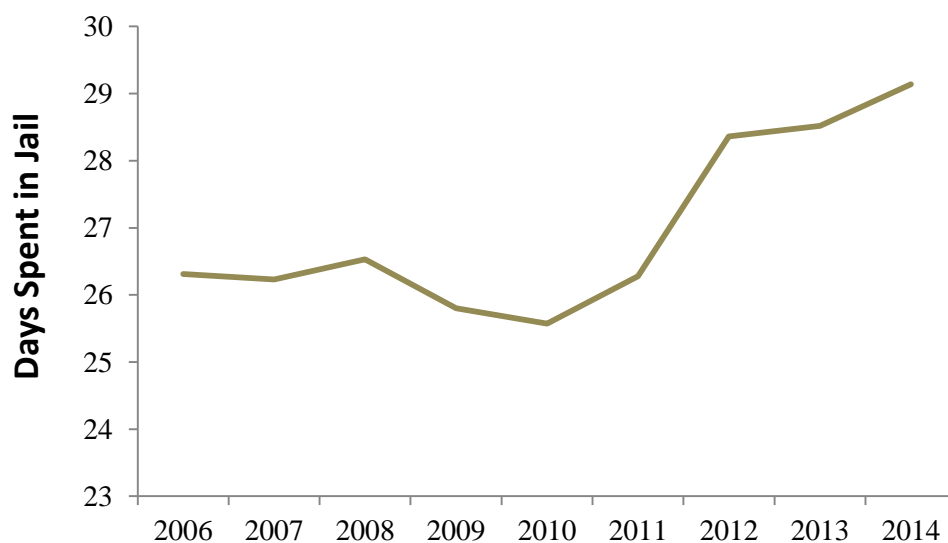

Figure 9.2: Average Number of Days Spent in Jail Pretrial, 2006-2014

Source: West Virginia Regional Jail and Correctional Facility Authority TAG database.

Findings: While the total number of pretrial jail bookings decreased slightly between 2013 and 2014, the average number of days that individuals spend in jail prior to trial has continued to increase. Individuals booked into a regional jail prior to trial in 2014 spent an average of 29 days in custody, compared to an average of 26 days in 2010.
